

*“Excellent – outstanding attention to detail, wonderful follow-up and excellent customer service. My photographer was a true professional. I am confident that anyone at the studio would have been wonderful.*

*The attention to detail and excellent approach to dealing with so many people was welcomed by my entire family.*

*I would highly recommend Bachrach to anyone. I have friends whose families have pictures from the last forty years all taken at Bachrach in Boston. The pictures have never degraded and are timeless.”*
